

# START-Youth Employment Program

Hire a Youth 15-30 yrs

**WorkLink**  
Your Community Employment Centre

## ARE YOU AN EMPLOYER WHO:

- Has a company that is growing?
- Is community minded?
- Needs an extra hand to complete a project or an employee to help with existing services?
- Would like a chance to build the skills of a future employee?
- Hires young people between the ages of 15 and 30?

A START participant may be the right hire for your company.

The ideal situation is where the participant is trained and continues working for the company.

Employers receive benefits to participating in the START youth employment program:

- 50% wage reimbursement for up to 13 weeks for minimum wage max 35 hours per week
- Pre-screened applicants that are matched to the hiring needs of your company
- Job Coach to support the employer and newly hired youth participant for training
- Pre-trained applicants in workplace skills such as communication, time management and appropriate use of technology in the workplace
