WorkLink welcomes the CRD to discuss career opportunities with their organization

Did you know that the CRD:

- Has over 900 employees with 5 main “job streams”, including professional/technical, operations, outreach/recreation, administrative and management
- Last year posted over 170 positions with 88 of those being filled by non-CRD staff
- Offers over 200 services to the residents of the region divided into 13 core service areas
